QUOTE

PID

Its always interesting to see how many different ways music and film can intersect.

nm1670891

Fairy tales dont feel like fairy tales to the people that live them. Cinderella herself was having a pretty terrible time.

[on Edward Snowden] Hes not a villain, hes not a spy. Hes just a man who saw something that he believed was quite wrong.
nm6580642

The human body is supposed to be 70 percent water. I consider myself 70 percent film.
nm2417634

QUOTE

PID

The most challenging work is producing. The physical act of getting a production up and running is extremely taxing, and you never have any guarantee that your years of work on any given project will ever bear fruit.
nm8409509

[about Metal Gear Solid] Sometimes it is hard to write certain things happening to these characters when you become so attached to them.
nm6314823

QUOTE

PID

[about his character Raiden in MGS2] The cool thing about MGS2 is that I am unaware of the specifics of the drama surrounding my character as far as the fans go. The only thing Im aware of is a big split of For and Against.
nm2365414

I love when I forget about the things I write. When I read them again I feel like a fan discovering something new.
nm5186518

QUOTE

PID

Damaged people tend to gravitate towards damaged people.
nm1979011

[about Silent Hill] It was important that the protagonist was not heroic or strong in anyway. In a way, it puts the player in the game themselves.
nm0759753

There is a part of me that misses the civilian life, but I do not miss sitting in an office every day. For the most part, I have the best job in the whole world

QUOTE

PID

nm1208949

It actually kind of sucks having to be a director. Once you do it, you discover how hard it really is. This no kind of job for a human being, let me tell you. I think I ought to quit, but I cannot really do anything else!
nm4924563

Whatever happens, happens.

QUOTE

PID

nm6484447

The people that are fans of animation are really the people that are keeping the art form of animation alive. If you like cartoons, support the cartoons.
nm7455147

A creators personality is reflected in their animation. It is almost like you are viewing the person themselves when you watch it.
nm7455147

QUOTE
